

Leona Fournier Receives Vision Award at Her Retirement

(York, ME) At our Company's annual management meeting Leona Fournier of the Saco, Maine office received the Company's annual **Vision Award**. This award is given annually to the employee who has helped our Company significantly advance toward our Vision. Leona, who retired on June 30th after nearly 20 years, was cited for helping hundreds of individuals we serve "find the jobs of their dreams." Susan Abel and David Dwyer shared several examples of how Leona touched the lives of so many people. Steve Wood presented her with a specially engraved clock, which symbolizes that "Success at Work" requires many hours of hard work. Congratulations, Leona!
