To whom it may concern:

Work Opportunities Unlimited and Portland Center for Assisted Living have had a very positive working relationship for quite some time. I feel I can honestly say that it is now also a personal relationship and we have come to depend on them. We have found the staff to be professional, friendly, and very attentive to their clients.

Our residents know most of the clients by name and enjoy the spontaneous conversations that sprout up. It is nice to see that they have become comfortable in our facility; I think this enhances their ability to perform their tasks.

We look forward to a long relationship with this very worthwhile organization. We definitely get more than we give.

Sincerely,

A handwritten signature in cursive script that reads "Sandra Keith".
